HOW WE WORK

Authorized channel
Hardware via authorized distribution with manufacturer warranty.

Formal quotes
Standard catalog requests typically within one business day.

U.S. shipping
In-stock orders ship with tracking from U.S. inventory when available.

BOM review
Specialists check mixed bills of materials and fleet refreshes before the PO.

WHO WE SUPPLY

Federal, state, and municipal buyers; K-12 and higher education; healthcare IT; and corporate teams purchasing volume hardware.
